

## BORACAY, FILIPINE

---

### Relax at the Beach

Transfer to the **beach** for the day in the sun. Boasting one of the best beaches in the Philippines, Boracay is a small four-mile-long and half-mile-wide island in the southern Philippines. Powdery white sand beaches, azure waters, and stretches of coconut palms are the recipe for a tropical paradise. Enjoy the tastefully des...

### Snorkel & Sunbathe

This half-day island tour by boat takes in the **Coral Garden area**, where you can enter the water to feed the fish and **swim** alongside them. You will have approximately 45 minutes to enjoy **snorkeling** in the clear water (gear is provided). Guests who prefer not to swim can feed the fish from the boat. At a nearby ...
