

## HONNINGSVAG, NORVEGIA

---

### ATV Safari

Your **self-drive**, guided **all-terrain-vehicle safari** starts from the base in the center of Honningsvåg, just a short walk from the ship. After a safety briefing and instructions, put on your driving suit and climb aboard your two-person ATV. You will head towards NATO Mountain and experience Magerøy Island's unique nature. Stop for photos at several stunning viewpoin...

### King Crab Safari

After a short stroll along the pier, put on an all-in-one warm waterproof flotation suit and listen to a safety briefing; then, hop into a **deep-sea raft** with a driver/guide and set off on a 45-minute journey to **Sarnesfjord** to inspect some crab pots. The giant king crab (*Paralithodes camtschaticus*) was introduced to the Barents Sea by Russian scientists during the 1960s. The...

### North Cape Transfer: Top of the World

Today's scenic drive to the **North Cape** from Honningsvåg should take about an hour, and detailed information is provided en route. If weather permits, enjoy a short stop at a viewpoint from where you can see the Horn—once a site of pagan worship. At the **North Cape Visitor Center**, you are invited to view a movie about the fascinating landscape and different seasons ...

### Ventures by Seabourn: Puffins, Zodiacs and Bus to Nordkapp

Launching from the Quest's fold-out water sports marina, set out on an exhilarating sea-level excursion with the Ventures by Seabourn expedition team. A two-hour **zodiac** ride showcases the **Storstappen Islands**—home to tens of thousands of breeding puffins, hundreds of gannets and kittiwakes and a handful of nesting white-tailed sea eagles. With a Seabourn naturalist guid...
