Craft Complex & Underwater World

Langkawi is a beautiful tropical island paradise and is renowned as the Isle of Legends. While the lifestyle here has changed since it became a duty free port in 1987, it has managed to retain its own identity through the ages. Langkawi is still very much the land of *kampungs* (villages), beaches, rice fields, legends and friendly people with intriguing lifestyles. The

Langkawi Highlights

Enjoy a panoramic view of Langkawi as you travel by **cable car** to the top station at the summit of majestic Machincang Mountain. The ride promises breathtaking vistas of the many islands scattered around Langkawi. En route you will pass scenic paddy fields with groups of buffaloes resting in their muddy ponds. Quaint Malay *kampungs* (villages) are scattered all over the island, givi...
