

MAHON, SPANIA

Cultures of Menorca

Discover the island of Menorca, a small paradise in the Balearic Sea. Mahón is the easternmost port in Spain, and is also the largest natural port in the world after Pearl Harbor. You will journey along the main road that links Mahón with Ciudadela. You will stop at **Fornells**, situated at the mouth of a long bay. This is a charming fishing village where the natural beauty is und...

La Mola Fortress & Binibeca

From the harbor of Mahón, your coach heads toward the center of the island via the north road, passing several small villages along the way. Your first stop will be at the whitewashed town of **Fornells** on the rugged north coast. This former fishing village is famous for its divine lobster stew. From Fornells, you'll drive up **Monte Toro**, the highest point on the island at...

North Coast Panorama

Leaving the port of Mahón, you will drive north through Puerto de Addaya and Macaret with a brief stop for photos. Continue on to the famous and scenic fishing village of **Fornells**, known for its lobster stew and also as a favorite hangout of the late Winston Churchill. This introduction to the island then leads you through the lovely landscaped gardens of Cala Tirant en route to ...
