

## PALMA DE MALLROCA, SPANIA

---

### Mallorca Uncorked

It is a 30-minute drive to Els Calderers de San Joan, a manor in Mallorca's central valley. Here, on an estate surrounded by outbuildings for cattle breeding, farming activities and indigenous animals, it is easy to imagine the island two hundred years ago. Enjoy a **taste** of *sobrasada*, a **local sausage** made from pork. Your next destination is the **Macia Batle Cellars**, l...

### Palma Highlights

Today you will discover **Palma de Mallorca**, the capital of the Balearic Islands, with a population of 300,000 and a flourishing economy. Among Palma's lovely sights is the Gothic-style **Bellver Castle**, a unique circle-shaped castle built in the early 14th century. Admire the extensive panoramic landscape below, across the city and surrounding countryside. Continue the drive along th...

### Vintage Train to Soller Village

Your excursion will begin with a 30-minute motor coach ride to the **railway station**. Here you will board a historical **vintage electric train** to the mountain village of Soller. In 1912, the train line was opened between Palma and Soller, making the northwestern coast of Mallorca accessible to city-dwellers. Prior to 1912, the journey across the mountains of Mallorca made passage dif...
