

SANTA CRUZ DE TENERIFE, INSULELE CANARE

Mount Teide

UNESCO World Heritage Site

Your tour begins with a drive towards the old colonial capital of La Laguna, situated in the Aguirre Valley amid beautiful surroundings. From La Laguna, the route turns along the base of the mountain range, through the Esperanza pine forest and foothills to **Cañadas del Teide National Park**. You'll stop at El Portillo Restaurant for **refresh...**

Tenerife in Depth

On this full-day tour, you'll travel through mountains and valleys to experience the "moonscape" of Las Cañadas, the greenery of La Esperanza and the lush fields of the Orotava Valley. Proceed along the freeway that bisects the island to the picturesque village of La Esperanza, which marks the edge of the forest of the same name. The road winds westward along the crest of the mountai...

Tenerife Wine & Tapas Experience

This is an exclusive opportunity to sample the wines from the El Sauzal and Tacoronte, which have gained the prized reputation of being the best wine growing regions in Tenerife and are only a short drive from the ship. You will visit the **Wine Center Museum** at the old farmhouse mansion of La Baranda. Here, you'll be offered three different kinds of wine—red, white and rosé...

The Orchid Gardens of Sitio Litre

Here's a relaxing way to enjoy one of the most peaceful settings in Tenerife—the famous **Orchid Gardens of Sitio Litre**. Your tour begins with a scenic drive, heading towards the north of the island and through the Oratava Valley. Stop for photos at the Humbold Viewpoint, which offers lovely views stretching from Mount Teide to the coast of Puerto de la Cruz. You'll then ...

Whale & Dolphin Safari by Catamaran

Experience the thrill of **seeking out whales and dolphins** in their natural habitat. Sunbathe on the catamaran's net, sip a beverage, or enjoy the coastal views as you sit in the shade. Take the plunge off the diving platform into the crystal-clear waters of a nature reserve, where you'll stop for a **swim**. Although there is never a 100% guarantee of whale or dolphin sight...
