## Tour Descriptions for Berlin (Rostock), Germany

### BEST OF BERLIN

Berlin (Rostock), Germany Tour Code: RSK\_43

Board your exclusively chartered standard train for an approximate 2 1/2 to 3 hour journey to Berlin. While relaxing and watching the German countryside pass by, you'll be served a light snack. Upon arrival at one of Berlin's train stations, your local tour guide will welcome and assist you to board your coach. Depart on an exciting tour of Berlin, covering the top ten highlights of this bustling city. Photo stops will be made at the East Side Gallery, a 3/4 mile long section of the Berlin wall, Checkpoint Charlie and at the Bebelplatz where below the ground level lays the Empty Library. You'll pass by the Potsdamer Platz, formerly a no man's land between East and West where the first gap in the Berlin Wall was made in 1989, and which is today a pristine block of futuristic glass and steel skyscrapers.

A few blocks away from here, at the Holocaust Memorial, you'll have another opportunity for a photo stop before making your way over to the famous Brandenburg Gate and the Reichstag government building. Before continuing your sightseeing tour, you'll enjoy a traditional German pub-style lunch at a local restaurant. Next, enjoy an outside visit to the Charlottenburg Palace, the oldest surviving Prussian palace, and then drive into the former western part of Berlin, along the Kurfuerstendamm, where you'll pass by the Kaiser Wilhelm Memorial church and the largest department store on the continent of Europe, the KaDeWe. Continue passing Berlin's main train station with more than 80 shops that are all open seven days a week. Also, see the Victory column commemorating the Prussian victories. Depending on the order of the tour and timing, you'll have the opportunity to either spend some time at leisure at the Kurfuerstendamm, Friedrichstrasse, Unter den Linden Boulevard or Berlin's Main Train Station (or similar), before transferring to the station for your return journey.

Note: The order of the sights may vary. This tour is only offered on Norwegian Star August 27th, 2016 sailing.

### PANORAMIC BERLIN & CONCENTRATION CAMP

Berlin (Rostock), Germany Tour Code: RSK\_41

Board your exclusively chartered standard train for an approximate 2 1/2 to 3 hour journey to Berlin. While relaxing and watching the German countryside pass by, you'll be served a light snack. Upon arrival at one of Berlin's train stations, your local tour guide will welcome and assist you to board your coach. Your panoramic tour of Berlin will include passing by Bebel Platz, where below the ground level lies the Empty Library; remnants of the Berlin Wall; the famous former border crossing, Check-Point-Charlie; the Brandenburg Gate, which more than any other

monument symbolizes the German and European reunification; the Reichstag government building; Berlin's Protestant cathedral with its Neo-Baroque interior and massive dome; Haeckesche Hoefe, a building complex built by Jewish idealists in 1906-07 with elegant ceramic facades, and which today symbolizes Berlin's new center having miraculously survived two wars; and the New Synagogue, Berlin's most prominent Jewish landmark.

Stop at the Holocaust Memorial, the 'Memorial to the Murdered Jews of Europe', which is a central place for remembrance to the murdered victims and a place of warning. After lunch at a traditional German pub-style restaurant, start the second part of your tour heading for the infinitely more somber and one of the most chilling destinations, the former Nazi Concentration Camp at Sachsenhausen, a memorial just north of Berlin. About 6,000 Jews were forcibly brought here after Kristallnacht alone, and it was here that some of the first experiments in organized mass murder were made. The scale of the terror remembered here can be very disturbing, however, simply by visiting here you can help change the future; as Winston Churchill put it, "the further backward you can look, the further forward you are likely to see."

Note: The order of the sights may vary. This tour is only offered on Norwegian Star August 27th, 2016 sailing.
