Bora Bora Island Discovery

A local, **open-air truck** with individual cushioned bucket seats takes you on a leisurely, guided **sightseeing tour**. Your guide will share with you the history of the Tahitian islands-in particular that of Bora Bora. Witness how the popular pareo is made, learn about tupa crabs, taste locally grown fruits and see relics left behind by the U.S. military. Admire the everchanging colors of Bora Bora's world-famous lagoon, and discover tropical flowers and trees among the dense green vegetation on the mountainside. Central Mount Otemanu rock, standing at more than 2,400 feet high, dominates the island and overlooks the turquoise lagoon and her crown of coral islands. Pass by the east coast of Bora Bora, where most of the famous resorts are located, before reaching Matira Point, which boasts the prettiest beach on the island. Watch for the famous Bloody Mary's Restaurant. Photo stops are included.

Notes

Vehicle does not have a compartment for storing wheelchairs or walkers. While limited mobility guests are welcome, walkers or wheelchairs will remain on the pier. Ride may be bumpy due to road conditions. The stop at Matira Beach is dependent on parking availability.

Beginning **scuba diving** is available, fun and consistent all year round in Tahiti. The water is warm (79°F to 84°F) and thanks to a usual amazing visibility (from 70 feet to 150 feet), a great number of large species can be observed around most of the islands-turtles, sting rays, eagle rays, jackfish, barracudas, sharks, eels, Napoleon wrasses, dolphins, tunas, schools of snappers, numerous species of shells and nudibranchs. Most of the dives in Tahiti and her islands are classified Open Water /Advanced Open Water (PADI) or Level I, II (CMAS). Note that it all happens within 30 - 80 feet below the surface, for the enjoyment of everyone.

Notes:

The beginning scuba dive usually operates in the afternoon. Wear your swimsuit; bring a towel. Waiver release form must be signed and medical conditions disclosed. Diver questionnaire must be completed 24 hours prior. Should a diver be refused or not able to dive on the spot for any reason, the dive will not be refunded. Divers should have a reasonable level of physical fitness to cope with the environmental stresses of being underwater. Please check with DAN (Divers Alert Network) or specific travel insurance companies to ensure full coverage before diving and

follow recommendations about dive fitness. Each diver should know and control his/her personal limits. As a general rule, please note that no diving is allowed within the 12 to 24 hours prior to a domestic or international flight. Equipment (tank, weight, weight belt, BCD, regulators with gauges, mask, snorkel, fins) is provided. Dive computers are usually available to rent. Light wetsuits or skin suits are sufficient for thermal protection and can be provided by the dive operators upon request. Wildlife sightings are likely but are not guaranteed. Minimum age is 12 years. Special rules apply for guests over the age of 75 years:

- 1. The diver must provide a medical certificate (less than one year old) indicating that the diver can practice diving.
- 2. The diver must have his/her own diving insurance and must provide a certificate. Please note that the demand for diving insurance by DAN for divers over 75 years must be accompanied by a medical certificate. The analysis of this medical certificate by DAN may take up to a month. Therefore, divers over the age of 75 cannot purchase this insurance on the spot at Topdive.

 They must be insured before their arrival to Topdive.
- 3. The number of dives per day is limited to two.

Glass-Bottom Boat Adventure

This **covered glass-bottom boat** excursion gives a glimpse of Bora Bora's sub-marine wonder world. In the depths of the electric blue waters of **Pofai Bay** lies the center of an ancient sunken volcano. Giant coral formations reach upward toward the light—gardens that are home to more than 300 species of fish. Watch as a diver descends and feeds these glorious creatures. In the shallows near the reef, small brilliantly colored fish dart through the water and anemones dance to the rhythm of the currents.

Notes:

This is an easy tour, only a few steps down to board the boat, limited mobility guests are welcome. Wildlife sightings are likely but are not guaranteed

Jet Boat Island Circumnavigation

Approximately 2 Hours

Be the first to write a review

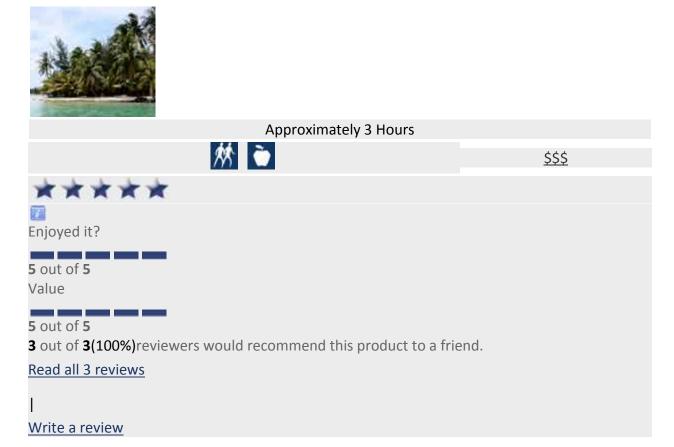

Experience a sensational **boat** ride around the beautiful island of Bora Bora and its lagoons. On this complete **circumnavigation of the island**, you will discover the beauty of the ever-changing colors that make Bora Bora's lagoon so famous. Depart the pier in Vaitape on a jet boat, and head towards a coral garden for a great **snorkeling** experience. After some time in the water, admiring the amazing marine flora and fauna that live here, enjoy refreshments. Then, your adventure continues to your next stop-on a sandbar! **Free time** here allows for some **swimming** and relaxing to the sound of island music. While there is no fast turning or jarring movement on this tour, your captain will give you the option of using the boat's high-speed capability for the return trip back to the pier.

Notes:

Some of the seating on the boat is "horseback-style," where you straddle a bench. Wear your swimsuit under your clothing; bring a towel, sunscreen and a hat. For your own safety and to help preserve the environment, when snorkeling, do not touch or step on coral. Guests with limited mobility are not allowed to participate.

Minimum age is 8 years.

Motu Islet Lagoon Cruise & Beach Break

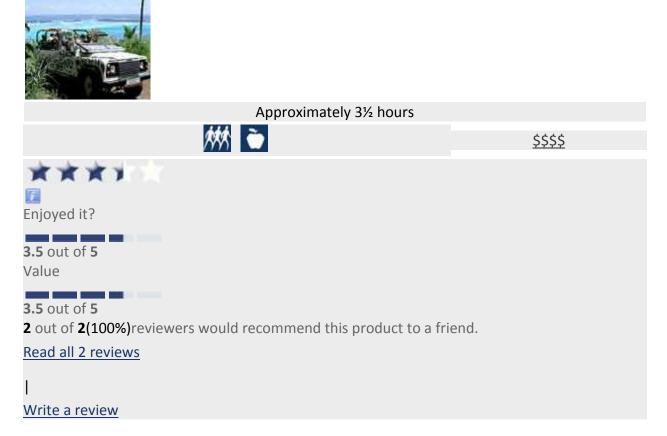

Enjoy Bora Bora's magical lagoon on board a **covered boat**. You'll cruise from Vaitape Bay, past beautiful Raititi Point and enchanting islets of Motu Toopua and Motu Tapu. You will enjoy some great views on the crystal clear lagoon as well as some exclusive sights of the island's highest peak, Mount Otemanu. Reach the *motu* (coral islet) for a typical **island beach break**. Stop for about 90 minutes on one of the atolls for sunbathing and swimming in crystal clear water and enjoying refreshments. This relaxing trip is also a great opportunity for souvenir photos, as it offers some superb views of the hidden, eastern side of Bora Bora. This tour combines lagoon navigation, snorkeling and free time on the beach-a great way to enjoy your day on Bora Bora.

Notes:

There are some stairs involved. While the *motu* area used is privately rented, guests are not entitled to venture outside of the property limits. For your own safety and to preserve the environment, do not touch or step on coral when snorkeling. Itinerary and stops may be reduced or altered dependent upon weather conditions. Participants should know how to swim. Wear your swimsuit under your clothing as well as aqua shoes, biodegradable sunscreen,

a hat, mosquito repellent, and a rash guard or t-shirt; bring a towel. Swimming at the *motu* is done from a specific location to ensure proper supervision by the staff as currents may be encountered. Snorkeling from the *motu* is limited due to shallow water; a snorkel stop at another location takes place during the tour.

Off the Beaten Track: Bora Bora by 4-Wheel-Drive

This is a true Land Roverfour-wheel-drive excursion to places accessible only to these special, rugged off-road vehicles. Drive through the small town of Vaitape to make your first ascent up Pahonu Hill. Great views of Bora Boraseven-inch cannons still in their original World War II locations. Travel along the northern shore of Bora Bora into the lush valley of Faanui. Perhaps the highlight of the trip is the view of Faanui Bay from a traditional plantation high up in the mountains. On your return to the main road, pass by Matira beach and continue with a stop at The Farm offering restrooms and a refreshment. Before you leave this facility, you Notes:

The vehicles accommodate eight guests each. Large families or couples may be split up dependent on tour numbers.

Shark & Ray Encounter & Coral Garden Snorkel

Dance with the stingrays under the supervision of your guide before exploring the intricate coral formations and colorful tropical fish of the coral gardens. Your adventure begins as you glide across the **lagoon** aboard a **covered lagoon cruiser**. Once you're past famous Motu Tapu, the captain will drop anchor on a shallow sandbank, a favorite haunt of several lithe gray **stingrays**. With your capable guide's assistance, you will be able to touch these creatures as they swim an effortless ballet around you. Harmless **black tip sharks** are often seen in the lagoon as well, and there is a good chance for an encounter. Next, you will be ready to explore the unspoiled **coral gardens** by the barrier reef, where ideal conditions have encouraged maximum coral growth. Donning a **mask and snorkel**, enter water that is four to five feet deep and swim amid the marine life. Underwater sightings may include butterfly fish, groupers and hundreds of other rainbow-colored species.

Notes:

There are some stairs involved. Restrooms are not available while on the tour. Wear aqua shoes. Participants should be accustomed to wearing snorkel equipment and coping with occasional currents. While snorkel equipment is available (mask and snorkel provided), bring

your own for maximum comfort. Wildlife sightings are likely but are not guaranteed. For your own safety and to preserve the environment, do not touch or step on the coral reef when snorkeling.
