Ports & Excursions

Miami, Florida

Adjectives such as glitzy and glamorous and fun and funky only hint at the reason Miami's a world-renowned international destination. In the 500 years since Ponce de León arrived in search of the elusive fountain of youth, people have flocked here to capture the city's energy, vitality and alluring charms. While the city's noted for its towering palm trees, glittering blue ocean vistas and pristine beaches, beautiful weather, beautiful places and beautiful people it's also home to an intriguing history, lively culture and postcard-perfect architecture. From the "walking trees" and 'gator spotting in the Everglades to celebrity spotting in South Beach, Miami's sure to impress.

Note: Upon disembarkation, please collect your bag, go through customs and hand your bag to your tour driver who will stow and lock it underneath your bus. Disembarkation tours end at the airports; therefore passengers who have post-cruise packages at local hotels must disembark at Fort Lauderdale International Airport. Passengers will then be responsible for their transportation to the hotel.
