

## Ports & Excursions

### Stockholm (Nynashamn), Sweden

The small rocky harbor of Nynashamn is your gateway port to Stockholm, the "Capital of Scandinavia." The city began life over seven centuries ago as a Viking stronghold built on the island of Gamla Stan. Today, Stockholm covers 14 separate islands and is interwoven with bays, channels and inlets. The city skyline is a sea of copper roofs grown green with patina, towers, spires and graceful cupolas stand sentinel over the historic Old Town (Gamla Stan). A city of nearly a million people, Stockholm is one of the world's most beautiful, clean, and orderly metropolises.

With a history stretching over seven centuries, Stockholm is not just a beautiful city but also Sweden's center of art and culture.

Note: Your ship will anchor in Nynashamn and use launches to transport all passengers ashore.
