The Flam Railway - FM24

The Flam Railroad transports you 2,800 feet above sea level into the wilds of Norway. You'll cross over rivers, navigate hairpin turns, and pass through dark tunnels on your way to the top. Stop to take in the incredible Kjosfossen Waterfall, and then continue your journey to the Vatnahalsen Mountain Hotel. There, you'll enjoy fresh, homemade waffles and jam before approximately 60-90 minutes of free time to explore on your own.

All aboard! ... for a ride on one of the world's steepest rail lines, climbing nearly 3,000 feet up the Flam Valley to the end of the line: the Vatnahalsen Mountain Hotel. Enjoy spectacular views of rivers, ravines, lush pastureland and snow-capped mountain peaks, with a photo stop at the Kjosfossen waterfall. Stroll the beautiful grounds of mountain-side Vatnahalsen Hotel, with a snack of homemade Norwegian waffles, sour cream and jam.

Highlights:

- Flam Railway: Climb past Flam valley on one of the world's steepest railways, passing waterfalls, cliffs and mountaintop farms.
