

FALMOUTH HARBOUR, ANTIGUA

Antigua: Beach Escape

ACTIVITY LEVEL: EASY

Experience a relaxing and carefree time on the half-mile-long, secluded, white-sand **Darkwood Beach**. The beach is beautiful, the water is warm and blue, and the experienced guides know how to make your day special. You will board your air-conditioned vehicle and drive to the famed palm-tree lined Darkwood Beach where you will be greeted with a **complimentary Caribbean cocktail** (fruit or rum punch) and given a brief tour of the beach facilities. Then you will have **3 ½ hours to relax** in a specially designated area of the beach, soak up the sun, take a casual stroll, enjoy a refreshing swim in the Caribbean Sea, or treat yourself to a snack or lunch in the restaurant overlooking the sand and sea. Sunset Horizon Beach Bar & Restaurant features restrooms and freshwater showers as well as a beach bar and restaurant; water sports are also available.

Please note: Umbrellas are available for a nominal charge. Bring a swimsuit, a towel, adequate sun protection, and a camera to record your special memories! The beach is on the opposite side of the island from where the yacht is docked, and the roads can be windy.

Antigua: Buggy Adventure

ACTIVITY LEVEL: MODERATE

'Pilot' your own **2-seater Buggy** and take a ride on the wild side with an exciting Antigua Buggys tour! Perfect for off-road adventure lovers, this 4x4 action-packed excursion showcases all that Antigua has to offer. Take off in an intimate group of 12 or less people with a friendly and informative guide, and feel like a true explorer in one of our 2-seat off-road buggies. You will head across the island visiting **Antigua's best scenic spots and sights**. The customized 4-wheel drive route will start on the West Coast, outside of Jolly Harbour, and continue off-road where you'll traverse through Bendals to Mount McNish and view St John's and your cruise ship from a magnificent and panoramic view point. Then it's through dirt tracks in the rural areas to beautiful Body Ponds, as you'll blaze through the trails of Antigua's one and only tropical rainforest to Wallings Dam. A trek to the top will reward you with fresh breezes, birds chirping and stunning views of lush green gardens, all in peaceful tranquility. Continuing on, your next stop will be at the picturesque and unspoiled Morris Bay on the southwest coast. Here you will stop for soft drinks while relaxing by the edge of this great beach. Choose to laze or go snorkeling or swimming, and soak up the sunshine before your adventure winds to an end. On

the way back, the scenery will continue to amaze you as you journey slowly through Fig Tree Drive towards Jolly Harbour.

Please note: This 4WD excursion is not for children under 7 and drivers must be 25 years or older. Buggies are for 2 guests and single guests will be asked to pay for 2 guests. Actual drive time is approximately 90 minutes. Wear comfortable clothing including a swimsuit, and bring along sunglasses, sunblock and a towel as well as your valid driver's license. And remember to grab a camera to capture all the fantastic sights. The itinerary can change due to weather conditions.

Antigua: Helicopter Ride to Montserrat Volcano

ACTIVITY LEVEL: EASY

This is a unique, rare and exclusive opportunity to visit and tour Montserrat, and to **witness an active volcano** from a safe but close up proximity. You will be met at the ship by your tour guide and driven to the helicopter pad 30 minutes away. Here you will board your awaiting private helicopter for a truly memorable and unique **Montserrat Volcano** tour. On this 45-minute, pilot-narrated flight, you will fly to Montserrat to tour its "Exclusion Zone," an area made off-limits to both ground transportation and habitation. This makes the helicopter the only way to get an up-close look at the Soufriere Hills Volcano. The volcano rises to 3,000 feet above sea level and frequently emits a combination of ash, smoke and steam. Survey the massive **Tar River Gorge** and **Delta** found 1,000 feet below. You'll witness what's left of small villages devastated by past eruptions before touring the charred remains of **Plymouth**, the country's former capital, now uninhabited and in some places buried under 40 feet of ash. On the seaside, observe the former location of the W.H. Bramble Airport - abandoned after the 1997 eruptions. Portions of this airport, including the runway were still visible until the partial dome collapse of February 11th, 2010, which buried what was left. Your tour will end with a bird's eye view of your cruise ship!

Please note: The route may vary due to weather and volcanic activity. The maximum weight to participate is 230 lbs. per person, maximum height is 6' 4". Actual flying time is approximately 45 to 50 minutes. It is essential you bring your passport as you may need to clear both Antigua and Montserrat immigration and it is recommended that you bring a camera and adequate sun protection.

Antigua: Reef Rider Snorkel Adventure

ACTIVITY LEVEL: STRENUOUS

You will board your air-conditioned transportation and ride through Antigua's countryside, rich in daily West Indian life, local villages, old churches, that exemplify West Indian culture, to Jolly Harbour. Here an experienced guide will give you a safety briefing on how to safely operate your **2-seater, 30 hp inflatable boat** and you will have time to acquaint yourself with it. Then it's time to follow your guide on a spectacular adventure along **Antigua's south coast** in and out of bays and around reefs to Antigua's premier snorkeling area, **Cades Reef**. Here you will be given **instruction in snorkeling** before you set out, explore and enjoy the home to the **colorful Caribbean marine life** including parrotfish, damselfish, grunts and angelfish among many others. Or you can simply take a swim or relax and soak up the sun in the idyllic location onboard the boat. You then will be guided back to Jolly Harbour for another opportunity to soak up the Antiguan sun before returning to the pier.

Please note: Bring your swimsuit, towel and a camera. Snorkeling equipment includes safety buoyancy waistband, mask, snorkel, and fins; professional instruction and supervision by PADI trained Guides. Guests must be 18 years of age to drive the boats. Maximum weight of combined participants is 400 pounds. The tour is not suitable for guests with back problems, who are pregnant or non-swimmers.

Antigua: Segway Fort Conqueror

ACTIVITY LEVEL: MODERATE

You will be met on the pier by your guide and escorted to an awaiting air-conditioned taxi which will take you to **Fort James Beach**, 40 minutes from the pier. After a complete **orientation on your Segway** you will travel back in time to 1706 when the British built one of its most impressive forts to protect against French invasion. You'll be amazed at how easy it is to maneuver this phenomenon of motion as it carries you through the large wooden gates of Fort James where a spectacular view of the Caribbean Sea awaits. Next you will embark on an entertaining adventure cruising by beach picnic parks, scores of fruit trees, and miles of beach in minutes on your zero emission Segway as knowledgeable and fun guides will fill you in on interesting facts about the area. After the tour enjoy delicious **refreshments and cool drinks** around a picnic table while indulging in a breathtaking view of one of the island's most popular beach bars and restaurant. With time to relax on the beach you can catch up on that good read or take a dip or just do absolutely nothing. Your package includes Segway orientation, safety gear (helmets), guided tour, bottled water, soft-drinks, and time to relax on the beach.

Please note: Bring your sun protection lotion, swimsuit, towel, and, of course, your camera!

Antigua: Spectacular Island Tour

ACTIVITY LEVEL: EASY

This sightseeing tour begins and takes you to **Dow's Hill** for an amazing panoramic view and short guided tour of the area. Your vehicle will then head back south to the Island's countryside, exemplifying West Indies culture, and take in the magnificent view of Falmouth Harbour, English Harbour and Nelson's Dockyard. Your first stop will be at the **Blockhouse Ruins**, dating back to 1787, which are situated atop a sheer cliff 450 feet above the Atlantic.

You'll see uninterrupted views of Indian Creek and the prestigious St. James's Club on Mamora Bay. The lookout at Shirley Heights, the island's most southerly point nearly 500 feet above sea level, offers unparalleled views of the Atlantic and English Harbor. On a clear day the island of Montserrat can be seen, nearly 30 miles away. You will see the world's **last Georgian dockyard** still in use and one of the eastern Caribbean's biggest attractions. Nelson's Dockyard Village was built in 1725. Your 45-minute stay will give you time to admire the sleek yachts tied to the old stone quayside and to explore the Admiral's Inn, the museum, and the mystery pillars. A refreshing beverage will be offered at an 18th century inn before your return to Falmouth.

Please note: The order of sites visited may vary.

Antigua: Starwatch

ACTIVITY LEVEL: EASY

Boarding an air-conditioned taxi, you will be driven to the historic Blockhouse, part of the famed Shirley Heights fortifications. Here the tour leader and the night sky await you! Your leader will **teach you how to navigate** from one constellation to another, so that you can find your way around the night sky. You will spend a couple of hours getting to know the tropical New Year sky where some of the best known and easily recognized constellations are visible soon after it is dark. **Binoculars and a 6-inch reflecting telescope** will be available to view Jupiter and other objects in the night sky. For example, there is Andromeda – the famous spiral galaxy shining at us from more than two and a half million light years away. You may be lucky to see a meteorite or two as they flash by burning up in Earth's atmosphere. Perhaps a satellite may pass over or even the International Space Station. There really is nothing quite as relaxing as lying down on your back, (on the mats provided) and having a good look at the sky overhead! It is just amazing what you can see with a bit of patience and persistence!

Please note: Bring a light jacket or sweater.

PRICE\$95

Antigua: Swim with the Stingrays

ACTIVITY LEVEL: MODERATE

Here is an outstanding tour and an opportunity to **swim with, touch, and feed the stingrays** of Antigua in the Caribbean Sea. The stingrays are very friendly and very gentle. You will board your air-conditioned transportation in Falmouth Marina and ride through Antigua's countryside, rich in daily West Indian life, local villages, and old churches. Start your adventure at **Stingray City's land base** where you can enjoy the company of their **monkeys and parrots**, and the hospitality of the experienced Stingray City's Guides. Following your safety briefing a short speedboat ride will whisk you to a shallow pool with a white-sand bottom surrounded by a beautiful coral reef in the Caribbean Sea. You will be able to stand up or swim with the stingrays, who will greet you with the familiarity of an old friend. You will be given an opportunity to **hand-feed the stingrays** and capture the moment with photographs! After feeding, snorkeling, and taking pictures with your new friends, you will return to the land base where you can rinse off the seawater under the bright Caribbean sun, with a shower under a coconut tree, and enjoy a **complimentary rum or fruit punch**, browse in the gift shop, and share this unique experience with your fellow guests before your return journey to your ship.

Please note: Wear your swimsuit under a cover up, bring a towel, and sunscreen.
