

## MAN-O-WAR BAY, CHARLOTTEVILLE, TOBAGO

---

### Man-O-War: Angel Reef by Glass Bottom Boat

Depart from the ship and take a short ride via tender to the small pier at Man-O-War Bay. On arrival you will board a coach for a 15-minute delightful scenic and mountainous drive to the town of **Speyside** to the **Blue Waters Inn** where a glass bottom boat awaits. Cruise out of the tiny harbor and down the emerald coast before heading out to **Angel Reef**. A favorite for divers around the world, Angel Reef boast crystal-clear water providing visibility up to 100 feet. Enjoy another perspective of Tobago as your guide will highlight points of interest and share his knowledge of this underwater environment. Float over **1,000-year-old coral formations**. Observe huge sponges and the world's largest single brain coral. You will see colorful reef fish and **diverse marine life** in their natural habitat. The boat will drop anchor and you are invited to snorkel, swim or simply relax on board. Cold drinks will be served before your return to Blue Waters Inn where you will have the opportunity to spend some free time before your journey back to Charlotteville to re-join your yacht.

Please note: For your comfort please wear a swimsuit and bring a towel, sunhat and sunscreen. This tour cannot accommodate guests with mobility issues.

### Man-O-War: Tobago Rainforest Hike

ACTIVITY LEVEL: STRENUOUS

You will depart Charlotteville in a mini-bus and travel up and over the lush mountains for a scenic drive along the eastern seashore. Stop at the **Speyside Lookout** and enjoy sweeping views of mountains, coast and offshore islands. Continue on through tiny villages clinging to the mountainsides, past picturesque bays, as you learn about Tobago's turbulent history and the fascinating mélange of people that make up her present citizenry. You will make your way to **Gilpin Trace** where your trained naturalist guide will meet you to begin your trek. The hike will take you through the oldest rainforest in the Western Hemisphere, the Gilpin Trace, famous for its abundance of **birdlife**. Learn about Tobago's indigenous flora and fauna as your guide will point out the most interesting species. Stop for a break, to listen to the sounds of the forest along the way. Enjoy a quiet moment in this beautiful forest before returning to your mini-bus to make your way back to the ship.

Please note: Due to strenuous hiking routes, participants should be physically fit. Please wear the appropriate shoes. If you wish you can bring along a snack from the ship. You will be provided with bottled water on this tour
