## Monte Carlo and Monaco

ACTIVITY LEVEL: MODERATE

Your motor coach will take you to **Monaco Rock** where elevators and escalators transport you up to the **Old City**. Take a guided walking tour up the hill and through the narrow streets, past the **Oceanographic Museum**, and the **Cathedral** containing the tomb of Princess Grace and Prince Rainier. Visit the interior of the **Prince's Palace** followed by some **free time to explore** further on your own. Next, you will descend from the rock and drive on a small part of the **Grand Prix circuit** on your way to **Casino Square**. Your final stop is Monte Carlo, where you will first walk along the Formula 1® circuit up to Casino Square to discover the most prominent and famous building on this square - the Grand Casino, surrounded by the **Hotel de Paris** and the **Café de Paris**. You may want to stroll around the square admiring the designer boutiques, or try your luck with the slot machines at the Café de Paris Casino. Return to the pier or if you want to stay to explore more on your own, return to the ship at your leisure.

Please note: This excursion involves walking over cobblestone streets and uneven surfaces, so comfortable walking shoes are recommended. The walk to Casino Square is 15 minutes of steep uphill walking so not recommended for those with mobility issues. The order of sites visited may vary. The Grand Casino opens for visits only from 9 a.m. to noon. Gambling is allowed in the afternoon from 2 p.m. The entrance fee is not included (10 euros) and a passport is required for guests who wish to visit the Casino on their own in the afternoon. Shorts, short skirts, and bare shoulders are not considered acceptable attire for visiting the Casino and Cathedral. The Prince's Palace is closed during the winter season usually from November to April. Official dates will be announced during the season.

## Monte Carlo: Eze and Villa Rothschild

ACTIVITY LEVEL: MODERATE

Eze has been described as an “eagle’s nest” because of its clifftop location over 1,400 feet above sea level. Contrast this enchanting village with the stately grandeur of a seaside palazzo in exclusive coastal Saint-Jean-Cap-Ferrat. Following a 30-minute drive you will begin a guided **walking exploration of Eze** along narrow streets and past recently restored medieval houses. You will walk to the garden at the top of the village and enjoy breathtaking sea views and the superb panoramas of the Italian and French coasts from this high vantage point during your 1¼-hour stay. Back aboard the coach you will continue to **Saint-Jean-Cap-Ferrat**, one of the Côte d’Azur’s most exclusive destinations. The **Villa Ephrussi de Rothschild** was constructed in the early 1900s and lies on a promontory overlooking the sea surrounded by a splendid 14-acre garden. During your 1¼-hour stay, there will be time to appreciate the

gorgeous views of Villefranche and Beaulieu sur Mer Bays. From the Villa there is a 45-minute return to the ship.
