

PALMA DE MALLORCA, SPAIN

Palma de Mallorca, City Sights

ACTIVITY LEVEL: MODERATE

Palma is the capital of the Balearic Islands and lies on the southeastern coast of Palma de Mallorca Island. A wealth of architectural highlights awaits you. Board your coach and travel to your first stop at the circle-shaped 14th century **Bellver Castle**, one of the world's very few rounded castles and the only one of its type in Europe. Built in military-influenced Gothic style, it lies atop a hill affording expansive panoramic views over the city and surrounding countryside. You will travel on to the handsome 13th century **La Seu Cathedral**, which presides over the city and is one of Europe's finest examples of pure ecclesiastic Gothic architecture. After exploring the Cathedral's interior you will view the exterior of the adjacent **Almudaina Palace**. This austere palace was originally an Arab fortress and later the palace of Majorcan kings. Before returning to the yacht you will stop to see the unique style and architectural engineering of the **city's famous bullring**.

Please note: Comfortable shoes with rubber soles are recommended. There are approximately 100 steps from the coach parking area to the La Seu Cathedral. Spanish law requires that motor coach guest's wear their seatbelts at all times while in vehicles that are so equipped.

Palma de Mallorca, Valldemosa & Chopin

ACTIVITY LEVEL: MODERATE

A short motor coach drive past olive trees and local vegetation brings you to the quaint 14th century village of **Valldemosa**, located at the foot of the Northern Mountain Range. Its former royal residence, **La Cartuja**, is the first stop on your tour. The residence became a Carthusian monastery in the Middle Ages and your guide will show you the chapel, a pharmacy, the monks' library and their cells. Valldemosa's shining moment was in 1838, when George Sand and Frederic Chopin came to live at the monastery. Their stay here is well documented and a collection of their furniture remains. George Sand later wrote a book about their time here, entitled "A Winter in Majorca." Every summer, La Cartuja hosts the International Piano Festival, so a **10-minute piano concert** makes for a fitting end to your tour. During free time, you will have the perfect opportunity to **taste the typical sweets** from Valldemosa called **Coca de Patata**, an individual sweet cake made with potatoes. The drive back to the ship will give you the opportunity to view the impressive cliffs to the north.

Please note: Comfortable shoes with rubber soles are recommended. Spanish law requires motor coach passengers to wear their seatbelts in vehicles that are so equipped.
